

**DRA's User Agreement for the DRA Report 'Nonwoven End-Use Products
- World Market Forecasts to 2010'**

- 1 David Rigby Associates (DRA) makes available on the Internet its online market research in the form of reports, chapters of reports and tables of forecasts (the "Information"). The Information is available to authorised users ("Users") for viewing and downloading via a web link. This current document, available on-line for viewing at all times, is the contract between DRA and User. By completing the registration process and placing an order the User agrees to be bound legally and to abide by this User Agreement.
2. The Information is copyrighted by DRA. All rights reserved. The purchase of a record at its list price from DRA's web site or from any other authorised seller entitles User to print a single copy of such a record. Other than the single printed copy as described in the preceding sentence, no part of the Information may be reproduced, stored, or redistributed in hardcopy or machine readable form, or otherwise without prior written authorisation from DRA.
3. Information obtained is for the exclusive use of User, or if User is a business, for the exclusive use of individuals at the same site as User.
4. If User has paid DRA or any other authorised seller of the Information in addition to the list price of the Information a further amount equal to the list price of the Information, but not otherwise, DRA grants User a Corporate licence permitting use by any employees and any professional advisors of User, in each case solely to the extent that such use is exclusively for the benefit of User (and not further or otherwise) by distributing the Information through an intranet or similar centrally accessible facility.
- 5 For purposes of this Agreement, an "Information Professional" means one who is accessing Information on behalf of another entity or individual not employed by the Information Professional, such as a consulting firm or research firm. An Information Professional may access Information on behalf of a single customer who is also the user of the Information. Hard copies of the Information may be provided to the Information Professional's customer, provided that the Information Professional places DRA's copyright notice on the Information so provided. An Information Professional may not provide the same Information to a different customer without replicating the search and paying the full record charge therefor.
6. THE INFORMATION COMPRISES MARKET FORECASTS AND SIMILAR INFORMATION WHICH ARE, BY THEIR NATURE, UNCERTAIN. WHILST DRA WILL USE ITS REASONABLE ENDEAVOURS TO AVOID MANIFEST ERRORS IN SUCH INFORMATION, NO OTHER REPRESENTATIONS OR WARRANTIES ARE GIVEN WITH RESPECT TO SAME AND ALL IMPLIED WARRANTIES, TERMS AND CONDITIONS RELATING TO THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED TO THE FULLEST EXTENT POSSIBLE. DRA WILL NOT BE LIABLE FOR ANY DAMAGES INCLUDING WITHOUT LIMITATION INDIRECT OR CONSEQUENTIAL DAMAGES ARISING OUT THE DRA INFORMATION OR ITS USE. DRA'S MAXIMUM AGGREGATE LIABILITY WITH RESPECT TO THE INFORMATION SHALL NOT IN ANY EVENT EXCEED THE SUM PAID BY THE USER FOR THE SAME.
7. This licence shall be governed by English law and the parties submit to the exclusive jurisdiction of the Courts of England and Wales.
